Image Management, LLC - Your Partner for Access & Mobility

WE SPECIALIZE IN HOME ACCESSIBILITY!

How we help?

- We **SELL** new or used products
- We **RENT** products
(For situations such as recovery from surgery/ accident, visit by family, making a model home accessible, having budget-friendly payments, etc.)
- We **SERVICE** installed products
- We **REMOVE** installed products
- We **BUY BACK** some products
- We provide **access advice** & **site prep advice and/or services**

What we provide:

- Vertical Platform Lifts (VPLs)
Also called “wheelchair lifts”, “porch lifts” or “home elevators”
 - Small-footprint mini-elevators that allow rider (and caregiver, if desired) to stand/sit and move from ground to porch/platform)
- StairLifts for Straight or Curved stairs
 - Rider can sit and ride up stairs.
- Ceiling & Rolling Lifts
 - Helps transfer patient from bed to chair to bath to toilet
- Other access/mobility products such as ramps, lifts of all kinds, door openers, grab bars, etc.
- Services
 - We provide turnkey solutions – doing any needed site prep OR we can provide advice/drawings so you can prepare site.

Who are we?

Image Management, LLC is a Raleigh, NC-based mobility and accessibility product and service provider. We sell/service lifts all over NC and some areas of VA and SC.

In business since 1992, we’ve installed/sold/serviced hundreds of major home accessibility products including lifts of all kinds (porch/platform, stair, ceiling, rolling, chair), door openers, etc. We can also help with smaller tasks such as installing grab bars, etc.

We are a NC Licensed General Contractor – License #55125.

We work with accessibility products from many vendors – Mac’s Liftgate, Harmar, Acorn, Bruno, Barrier Free lifts/Horcher, Liko, etc.
